

Cascade Natural Gas Conservation Incentive Program Existing Homes Incentive Application

Cascade Natural Gas is helping Washington customers save money and energy with cash-back incentives on qualified energy-efficient home improvements. Start saving today! Inside, find all the information you need to complete your application.

In the Community to Serve®

Who is eligible to participate?

- Washington customer of Cascade Natural Gas on rate schedule 503 (see your gas bill).
- Fuel for the home's primary heat source must be provided by Cascade Natural Gas for all heating incentives.
- Water-heating fuel **must** be provided by Cascade Natural Gas for all water-heating incentives.
- Customer does not use a **heat pump** for heating and cooling with a natural gas furnace back-up.
- Energy-saving measures must meet program requirements. Details at www.cngc.com/conservation.
- All equipment and service measures must be installed by a Washington-licensed contractor.
- Customer understands that appliances and building materials specified by Washington state code are not eligible for Cascade Natural Gas incentives.
- Incentives may be subject to change.

Customer name _____

Cascade account number _____ Customer phone number _____

Customer email (optional) _____

Service address _____
Street City State Zip

Mailing address _____

(If different than service address—incentive check will be mailed to this address)

Year home was built _____ Square footage of home _____ Do you own or rent? _____

Is your home heated and cooled with a heat pump? Yes No

(i.e. homes heated by both natural gas and electric power are not eligible for Cascade Natural Gas incentives.)

Is natural gas provided by Cascade Natural Gas the primary heat source in your home? Yes _____ No _____

Is your water-heating fuel provided by Cascade Natural Gas? Yes No

What type of equipment are you replacing? _____

Installer company name: _____ Installer phone number: _____

Applications must be postmarked within 90 days of installation.

For questions or more information, please visit us online at www.cngc.com/conservation or call us directly at 1.866.626.4479.

Please fill out the form below for the incentive(s) you are applying for.

	Beginning R-Value	Ending R-Value	Covered Sq. Ft.	Incentive	Square Ft. X Incentive	Installed Cost
Attic/Ceiling Insulation	R _____ Not more than R-18 to qualify for incentive	R _____ Equal to or greater than R-38 to qualify for incentive		\$0.25 per sq. ft		\$
Wall Insulation	R _____ Not more than R-4 to qualify for incentive	R _____ Equal to or greater than R-11 to qualify for incentive		\$0.40 per sq. ft		\$
Floor Insulation	R _____ Not more than R-11 to qualify for incentive	R _____ Equal to or greater than R-30 or to fill cavity* to qualify for incentive		\$0.45 per sq. ft		\$
<p>R-Value describes the capacity of a material to resist heat transfer. The higher the R-Value of a material, the greater its insulating properties.</p> <p>*minimum of R-19 or higher to fill cavity</p>			<p>Total Incentive \$</p> <p>Installation Date</p>			

High-Efficiency Natural Gas Hearth (80%+ AFUE) Incentive \$70	Manufacturer	Model Number	AFUE Rating	Install Date
High-Efficiency Natural Gas Furnace (90%+ AFUE) Incentive \$150	Manufacturer	Model Number	AFUE Rating	Install Date
PTCS Duct Sealing Incentive \$150	PTCS duct sealing form required www.ptcsnw.com *Must not be installed with a HVAC purchase, tune-up or repair			Install Date
Conventional Natural Gas Water Heater (.62 EF, or greater) (tankless units are not eligible) Incentive \$25	Manufacturer	Model Number	EF Rating	Install Date
High-Efficiency Combination/Water heating system (90%+ AFUE) (Water must be heated with tankless system; max delivery temperature must not exceed 140*. Boilers do not qualify.) Incentive \$800	Manufacturer	Model Number	EF Rating	Install Date
High-Efficiency Natural Gas Furnace + PTCS Duct Sealing (90%+ AFUE, ducts must be sealed to PTCS standards) Incentive \$400				

For questions or more information, please visit us online at www.cngc.com/conservation or call us directly at 1.866.626.4479.

Duct sealing

Duct Sealing incentives require a PTCS duct sealing form (available at www.ptcsnw.com) provided by your contractor. Duct Sealing Test Data (Total Leakage Test): Pressurize ducts to +50Pa WRT exterior Performance Tested Comfort System (PTCS) certified contractor or equivalent (Duct Sealing New System or Existing System) is required.

Existing homes measure installation requirements

Measured Leakage must not exceed .10 CFM50 X floor area (In sq. ft.) served by the system; or document a 50 percent reduction in leakage to the outside by comparing duct leakage to the outside before and after sealing.

Conditioned floor area of house _____sq. ft. X .10 = Maximum Duct Leakage _____ CFM

Application Checklist

To ensure prompt payment, be sure you have completed the application checklist below:

- Complete entire form, including participant signature
- Attach all invoices for work completed, marked PAID IN FULL (Equipment invoices must include brand and complete product model number. Insulation invoices must include the beginning and ending R-value and the square footage installed or note "filled cavity" where applicable)**
- Provide Cascade Natural Gas account number (# on your bill)
- If applying for a duct sealing incentive, please include the PTCS duct sealing form provided by your contractor
- Insulation must be installed by a certified contractor

Terms and Conditions

Eligibility: Energy conservation or energy-efficiency incentives are available to residential customers of Cascade Natural Gas Corporation (CNGC) served on rate schedule 503 in the state of Washington. Customer must heat home with natural gas provided by CNGC to qualify for heating incentives. Customer must heat water with natural gas provided by CNGC to qualify for all water-heating incentives. Incentive will be paid after completion and verification of the energy-saving measure/s and submission of all required documentation. Customers are advised to retain a copy of this incentive application and any other documentation submitted to CNGC under this program.

Support Documentation: This incentive application and any additional required documentation must be filled out completely, truthfully and accurately. An invoice itemizing the products purchased and/or work performed must be submitted with this application form. The document must include (a) the date of purchase and/or date of service and total project costs, (b) the size, type, make, model, or part number for the energy savings products, (c) a description of any installation charges or other labor charges. CNGC will not be responsible for lost documentation pertaining to the incentive request.

Payment: Incentives shall be paid directly to the qualifying participant in the amount authorized at the date of the measure's completion. Application must be postmarked and submitted to CNGC for processing no later than 90 days following installation of measure. Please allow up to six weeks for incentive processing. Eligible measures must be installed during the effective dates of the current residential Conservation Incentive Program tariff (<http://www.cngc.com/rnt.asp>) to qualify for an incentive.

Measures: Incentives for authorized energy-saving measures are limited to the amounts provided on CNGC's tariffs 300, 301, 302. All incentive measures must meet CNGC's energy conservation specifications. Current incentives, specifications and incentive amounts are identified on CNGC's website at www.cngc.com and are subject to change. Please contact CNGC's conservation department with any questions.

Consent to Release of Customer Information: Participants consent to the release of their customer information (including name, service and mailing addresses, phone number, and account number) by CNGC to its designated internal or third party representatives for the purpose of (1) issuing applicable conservation or efficiency incentives; (2) verifying completion and/or installation of qualified energy-saving measures. applicable conservation or efficiency incentives; (2) verifying completion and/or installation of qualified energy-saving measures.

Disclaimer/No Liability: Customer understands that, while CNGC may have provided rebates for approved measures and equipment, CNGC is not supervising work performed for Customer, nor is CNGC responsible in any way for proper completion of that work or proper performance of any equipment purchased. Customer assumes the risk of any loss or damage(s) that Customer may suffer in connection with the installation of the Measures and Equipment. CNGC does not guarantee any particular energy savings results by its approval of this application, or by any other of its actions.

For questions or more information, please visit us online at www.cngc.com/conservation or call us directly at 1.866.626.4479.

Participant Signature: By signing below, Participant agrees to the terms and conditions. Participant represents to CNGC that all energy-saving measures have been completed satisfactorily and Participant meets the eligibility requirements shown under the “requirements” section. CNGC and/or its representatives may request access to the property on which energy-saving measures have been completed and/or installed in order to do quality control inspections. Customer understands that CNGC and/or its representatives may review and evaluate the project during and after completion. Participants agree to provide access to the property for the purpose described above.
