 - Cascade Natural Gas account number must be provided (# on your bill)
 - If applying for an ENERGY STAR package include Verifier signature and ENERGY STAR NW Database ID number
 - Attach all invoices for work completed, marked PAID IN FULL (Invoice must include complete product model number)
-

Terms and Conditions

Eligibility: Energy conservation or energy-efficiency incentives are available to residential customers of Cascade Natural Gas Corporation (CNGC) served on rate schedule 503 in the State of Washington. Customer must heat home with natural gas provided by CNGC to qualify for heating incentives. Customer must heat water with natural gas provided by CNGC to qualify for all water-heating incentives. Incentive will be paid after completion and verification of the energy-saving measure/s and submission of all required documentation. Customers are advised to retain a copy of this incentive application and any other documentation submitted to CNGC under this program.

Support Documentation: This incentive application and any additional required documentation must be filled out completely, truthfully and accurately. An invoice itemizing the products purchased and/or work performed must be submitted with this application form. The document must include (a) the date of purchase and/or date of service and total project costs, (b) the size, type, make, model, or part number for the energy savings products, (c) a description of any installation charges or other labor charges. CNGC will not be responsible for lost documentation pertaining to the incentive request.

Payment: Incentives shall be paid directly to the qualifying participant in the amount authorized at the date of the measure's completion. Application must be postmarked and submitted to CNGC for processing no later than 90 days following installation of measure. Please allow up to six weeks for incentive processing. Eligible measures must be installed during the effective dates of the current residential Conservation Incentive Program tariff (<http://www.cngc.com/rnt.asp>) to qualify for an incentive.

Measures: Incentives for authorized energy-saving measures are limited to the amounts provided on CNGC's tariffs 300, 301, 302. All incentive measures must meet CNGC's energy conservation specifications. Current incentives, specifications and incentive amounts are identified on CNGC's website at www.cngc.com and are subject to change. Please contact CNGC's conservation department with any questions.

Consent to Release of Customer Information: Participants consent to the release of their customer information (including name, service and mailing addresses, phone number, and account number) by CNGC to its designated internal or third party representatives for the purpose of (1) issuing applicable conservation or efficiency incentives; (2) verifying completion and/or installation of qualified energy-saving measures.

Disclaimer/No Liability: Customer understands that, while CNGC may have provided rebates for approved measures and equipment, CNGC is not supervising work performed for Customer, nor is CNGC responsible in any way for proper completion of that work or proper performance of any equipment purchased. Customer assumes the risk of any loss or damage(s) that Customer may suffer in connection with the installation of the Measures and Equipment. CNGC does not guarantee any particular energy savings results by its approval of this application, or by any other of its actions.

Participant Signature: By signing below, Participant agrees to the terms and conditions. Participant represents to CNGC that all energy-saving measures have been completed satisfactorily and Participant meets the eligibility requirements shown under the "requirements" section. CNGC and/or its representatives may request access to the property on which energy-saving measures have been completed and/or installed in order to do quality control inspections. Customer understands that CNGC and/or its representatives may review and evaluate the project during and after completion. Participants agree to provide access to the property for the purpose described above.
