## Who is eligible to participate?

- Washington customer of Cascade Natural Gas on rate schedule 503 (see your gas bill).
- Fuel for the home's primary heat source **must** be provided by Cascade Natural Gas for all heating incentives.
- Water-heating fuel **must** be provided by Cascade Natural Gas for all water-heating incentives.
- Customer does not use a **heat pump** for heating and cooling with a natural gas furnace back-up.
- Energy-saving measures must meet program requirements. Details at [www.cngc.com/conservation](http://www.cngc.com/conservation).
- All equipment and service measures must be installed by a Washington-licensed contractor.
- All insulation and duct-sealing measures **must** be performed by a CNGC qualified Trade Ally in order to be eligible for a rebate through the Conservation Incentive Program. Contact 1.866.626.4479 for a list of qualified trade allies in your area or visit [http://www.cngc.com/conservation/conservation\\_trade\\_allies.asp](http://www.cngc.com/conservation/conservation_trade_allies.asp).
- Customer understands that appliances and building materials specified by Washington state code are not eligible for Cascade Natural Gas incentives.
- Incentives and incentive amounts may be subject to change.
- ENERGY STAR homes must be approved by an ENERGY STAR verifier.

## How to qualify for Cascade Natural Gas Incentives

- 1** Establish your eligibility. Call 1.866.626.4479 or visit [www.cngc.com/conservation](http://www.cngc.com/conservation) for program requirements.
- 2** Install energy-efficient home improvements. Contact a participating Trade Ally contractor or Washington licensed contractor to install eligible measures. Please visit [www.cngc.com/conservation](http://www.cngc.com/conservation) for a list of qualified trade allies. Note - if installing insulation or a duct sealing measure you must use a CNGC qualified Trade Ally.
- 3** Acquire appropriate incentive form online at [www.cngc.com/conservation](http://www.cngc.com/conservation), or call 1.866.626.4479.
- 4** Sign and submit forms. Submit a copy of your contractor's invoice, with appropriate incentive form, to:

Mail: Cascade Natural Gas, c/o Lockheed Martin Energy and Environmental Services  
22121 20th Avenue SE, Bothell, WA 98021

Fax: 1.877.671.2998

Upon receipt of completed application, please allow six to eight weeks for processing and payment.

For more information on incentives and requirements, or to contact a Trade Ally contractor, please visit [www.cngc.com/conservation](http://www.cngc.com/conservation) or call 1.866.626.4479.

### Home Energy Saver Kit

Water-saving showerheads and faucet aerators available upon request. Please call 1.866.626.4479 for details.
