Program Rules and Requirements

How to Qualify for Cascade Natural Gas Incentives

Step 1: Establish your eligibility. See below for a complete list of rules or call 1.866.626.4479.

Step 2: Install energy-efficient home improvements. Contact a participating Trade Ally contractor to install eligible measures.

Step 3: Acquire appropriate incentive form online at www.cngc.com/conservation, or call 1.866.626.4479.

Step 4: Sign and submit forms. Submit a copy of your contractor's invoice, with appropriate incentive form, to:

Mail: Cascade Natural Gas, c/o

Lockheed Martin Energy and Environmental Services

22121 20th Avenue SE

Bothell, WA 98011

Upon receipt of completed application, please allow six to eight weeks for processing and payment.

For more information on incentives and requirements, or to contact a Trade Ally contractor, please visit www.cngc.com/conservation, or contact us directly at 1.866.626.4479.

Who is eligible to participate?

- Residential customers of Cascade Natural Gas on rate schedule 503 (see your gas bill).
- Primary home heat-source fuel must be provided by Cascade Natural Gas for all heating incentives.
- Water-heating fuel must be provided by Cascade Natural Gas for all water-heating incentives.
- Energy-saving measures must meet program requirements. Details at www.cngc.com/conservation.
- All equipment and service measures must be installed by a Washington-licensed contractor.
- Attic/ceiling and floor insulation is eligible for self-installation. Call us before beginning work to receive pre-approval.
- Building code-required materials are not eligible for incentives.
- Incentives and incentive amounts may be subject to change.
