

Resolve to Save

Cascade Natural Gas wants to help you reach your energy savings goals with cash back incentives on eligible high-efficiency natural gas measures and upgrades.

Start the new year off right - get cash back, use less energy and lower your energy costs all at the same time.

In the Community to Serve®

CNGC can help reduce the amount of energy you use while rewarding you for investing in high-efficiency natural gas upgrades to your home. Need assistance in finding an independent contractor? Fill out this form and return to address noted below. **Your signature is required.**

Name _____ Signature _____

E-mail _____ Type of measures _____

INTERESTED IN SAVING ENERGY AND MONEY?

I give CNGC permission to provide my contact information to a select group of independent contractors, or "Trade Allies" pre-authorized by CNGC. I can expect to be contacted by a Cascade Conservation Program representative and one to three area contractors to arrange a no-obligation estimate.
