CASCADE NATURAL GAS CORPORATION

RULES AND REGULATIONS

RULE 13 - CUSTOMER'S RESPONSIBILITY

Company shall have the right to enter the premises of customer at all reasonable hours for the purpose of making such inspection of customer's installation as may be necessary for the proper application of Company's rate schedules and Rules and Regulations; for installing, removing, testing or replacing its apparatus or property; for reading meters and for the entire removal of Company's property in event of termination of service for any reason to customer.

Meters and service pipes installed shall at all times remain the property of the Company. All property of Company installed in or upon customer's premises, used and useful in supplying service, is placed there under customer's protection. All reasonable care shall be exercised to prevent loss of or damage to such property and, ordinary wear and tear excepted, customer will be held liable for any such loss of property or damage thereto and shall pay to Company the cost of necessary repairs or replacements.

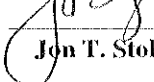

Any changes made in the location of service lines or meter installations to suit the customer must be at the customer's expense.

Interference by anyone, except employees or authorized agents of the Company, with the meter or its connections, service, mains or other property of the Company is strictly prohibited. No one except employees of the Company will be allowed to make any repairs or adjustments to any meter or other piece of apparatus belonging to Company. In case of emergency other authorized parties may shut off the flow of gas at meters.
