CASCADE NATURAL GAS CORPORATION

EMERGENCY INSTITUTIONAL SERVICE
SCHEDULE NO. 126

AVAILABILITY:

This schedule is available upon written application throughout the territory served by the Company under the tariff of which this schedule is a part provided adequate capacity and supply exists in the Company's system, and Customer has made a showing acceptable to Company that Customer's institutional operations could not be continued without severe disadvantage to the occupants of Customer's facilities in the absence of service by Company under this schedule.

APPLICABILITY:

To gas, no portion of which shall be resold, supplied at one point of delivery and through one meter, on a best efforts basis, to institutional customers currently taking service from the Company under its filed rate schedules, and then under curtailment, up to the maximum volume limits imposed by Company on an hourly or daily basis, or both, and/or as a total over the estimated period of Customer's emergency. Such limits may be established by instructions given by Company to any authorized representative of Customer.

CONTRACT:

Customers receiving service under this rate schedule shall execute a contract for a period of twelve (12) consecutive months.

RATE:

All Therms per Month:

Delivery Charge	\$0.26670	per therm	
Cost of Gas (WACOG)	\$0.76338	per therm	(R)
Temporary Adjustment	(\$0.00730)	per therm	(R)

Total Per Therm Rate	\$1.02278	per therm	(R)
----------------------	-----------	-----------	-----

MINIMUM CHARGE:

None

ADJUSTMENTS:

Service under this schedule is subject to various adjustments as specified in Schedule Nos. 191, 192, 193, 194, and 200 (when applicable) as well as any other applicable adjustments as approved by the Oregon Public Utility Commission.

TERMS OF PAYMENT:

Each monthly bill shall be due and payable within fifteen (15) days from the date of rendition.

UNAUTHORIZED USE:

Customer shall be obligated to limit its receipts of gas to the hourly and daily volumes permitted. Any volumes taken in excess of that permitted is unauthorized. Company shall bill and Customer shall pay for unauthorized takes at the rate of \$0.50 per therm in addition to the regular charges incurred in the RATE section of this schedule. The payment of an overrun penalty shall not under any circumstances be considered as giving Customer the right to take unauthorized overrun gas or to exclude any other remedies which may be available to the Company to prevent such overrun.

CASCADE NATURAL GAS CORPORATION

**EMERGENCY INSTITUTIONAL SERVICE
SCHEDULE NO. 126**

(Continued from Previous Page)

GENERAL RULES AND REGULATIONS:

Service under this schedule is subject to the General Rules and Regulations contained in this tariff and to those prescribed by regulatory authorities.

SPECIAL CONDITIONS:

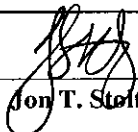

1. The rates named herein are subject to increases as set forth in Schedule No. 100 for Municipal Exactions.
2. The determination of the availability of gas volumes and system capacity to permit the Company to render any requested service under this schedule shall be within Company's sole judgment. In making such determination, Company shall consider, with respect to customers whose requirements fall within Order of Priority (4) through (7) of the Firm Service Priority Rule No. 17 of the General Rules and Regulations of this tariff, among other factors, the degree of hardship the requested service might impose on other customers, the degree of change in the energy planning of other customers to accommodate their operations to such change, and the operational practicability of rendering the requested service under supply and system conditions then prevailing.
3. Service under this schedule shall not be accorded a priority better than Order of Priority (3) of the Firm Service Priority Rule No. 17 of the General Rules and Regulations of this Tariff without authorization of the Public Utility Commission.
4. This schedule may be extended to noninstitutional customers otherwise qualifying for service hereunder upon the authorization of the Public Utility Commission.
5. The Company shall not be liable in damages or otherwise for failure to provide service or supply gas under this schedule.
6. Customer shall be obligated to exercise every reasonable effort to obtain and utilize an alternate supply of fuel so as to minimize the period over which this service is required.
