## **Terms and Conditions**

**Application:** This application and any additional required documentation must be filled out completely, truthfully and accurately. Customers are advised to retain a copy of this application and any other documentation submitted to Cascade Natural Gas Corporation under this program. The Company will not be responsible for lost documentation pertaining to the rebate request. The Company must receive applications within 60 days after the date of installation. Please allow 4-6 weeks for incentive processing.

**Eligible Products:** Incentives are available to approved participants who reside within Cascade Natural Gas service territory and are residential/small commercial customer. Products must meet Cascade Natural Gas energy specification. These specifications may be found on the web at [www.CNGC.com](http://www.CNGC.com) and are subject to change. If you, or your contractor, are not sure of the specifications, please feel free to contact Cascade's Conservation Department before proceeding.

**Proof of Purchase:** The invoice documentation accompanying the application must itemize the products purchased and/or work performed. This proof of purchase must show (a) the date of purchase and an itemized price paid per item, (b) the size, type, make, model or part number for the products, (c) a description of any installation or other labor charges.

**Payment:** Incentive will be paid after: (a) completion and or installation of the energy savings measures, (b) verification of the completion and/or installation of the measures, and (c) timely submission of the all required documentation of measures. Incentives will be paid directly to qualifying participants.

**Incentive Amount:** Incentives for energy savings measures completed and/or installed as set forth in documentation accompanying this application are limited to the amounts provided on the Companies tariffs 300, 301, 302. Such amounts are subject to change. Current incentive amounts are identified on the Company's web at [www.CNGC.com](http://www.CNGC.com). Please contact Cascade Natural Gas Conservation department with any questions.

**Access and Evaluation:** Cascade Natural Gas and/or its representatives may request access to the property on which energy savings measures have been completed and/or installed and may review and evaluate the project during and after completion. Participant agrees to provide access to the property for the described therein.
