

# UPGRADE YOUR WATER HEATER AND SAVE INSTANTLY

Between baths, dishes and laundry, hot water is the second largest energy expense in the home, typically costing homeowners \$200 to \$400 each year. As a customer of Cascade Natural Gas, you're eligible to receive \$100 off the purchase of a new energy-efficient gas tank water heater from Energy Trust of Oregon—no coupons required.

*In the Community to Serve®*

## DON'T GET CAUGHT IN COLD WATER

When the water heater starts to fail, you need a replacement as soon as possible. Narrow down the options when you're shopping by keeping an eye out for the Energy Trust logo to make sure you're getting the best performance and the biggest energy savings.

**Find a list of participating retailers near you at [www.energytrust.org/hotwater](http://www.energytrust.org/hotwater) or call 1-866-368-7878.**
