**Join us in helping others stay warm this winter.**

*Some of your neighbors have difficulty paying their heating bills.*

*In the Community to Serve®*

In 1989 we created **Winter Help**, a partnership with ourselves, our customers and local community service agencies. Because of illness, loss of employment or other crises, some households have difficulty paying their heating bills. **Winter Help** funds are designed to help our neighbors with temporary heating emergencies. Often these financial setbacks are temporary and can be relieved with a little concern and assistance from friends like you.

We asked for your support to help your neighbors pay part of their energy bills. Your generosity has helped more than 10,000 families since **Winter Help** began.

Cascade Natural Gas will match every dollar you contribute to **Winter Help**, dollar for dollar, to a maximum match of \$50,000. Your tax-deductible dollars also are guaranteed to be used in your community.

Contributions to **Winter Help** can be made automatically with your payment each month or as a one-time pledge. Your total amount of annual donations will be printed on your bill.

For additional information on low-income assistance, please contact Customer Service at 1-888-522-1130 or visit our website at [www.cngc.com](http://www.cngc.com).
