## BENEFITS YOU CAN SEE CLEARLY

Window upgrades provide more than just increased home comfort. New windows decrease drafts and noise, improve heating and cooling performance, and reduce condensation. Earn cash incentives up to \$4.00 per square foot and lower energy costs with a qualifying window upgrade. Energy Trust can help you find a qualified contractor who is ready to assist and install your windows.

### **DON'T LET SUNLIGHT FADE YOUR HOME'S INTERIOR**

Direct sunlight can be damaging to your home's interior. ENERGY STAR windows with special Low-E coatings are designed to protect your most valuable photographs, furniture and flooring.

Reduce fading by up to 75 percent and open the blinds with confidence.
