

Washington Energy Assistance Fund (WEAF)

Need help paying your winter bill?

As temperatures begin to drop, heating bills begin to rise. With every 1-degree Fahrenheit drop outside, three percent more energy is required to maintain a constant temperature in your home. Despite keeping a close eye on the thermostat, you may find your bills increase during the winter months.

Financial aid is available from Cascade Natural Gas if you need assistance with your utility bill. Our partners at Community Action will process your application.

Call us at 1-888-522-1130 to speak with a Customer Service representative if you need to make payment arrangements for your bill. The phone number for your local Community Action agency can be found on the back of this insert or at www.cngc.com. Spanish speakers are available to serve you at Cascade Natural Gas and at each Community Action agency.
