# REQUEST YOUR ENERGY SAVER KIT TODAY

The contents of your free kit will vary depending on your home's characteristics. Your kit may include LEDs, high-performance showerheads and faucet aerators that use up to 20 percent less water than standard fixtures—equaling an average savings of 2,300 gallons of water per year.

**Ready to save? Visit [www.energytrust.org/kits](http://www.energytrust.org/kits) to order your free kit today.**

*Please allow four to six weeks for delivery. Only one kit may be requested per home address.*

## **ONLINE HOME ENERGY REVIEW**

Step up your home energy savings by taking a free online Home Energy Review. In 10 minutes or less, you'll receive an estimated calculation of your home's energy use and customized recommendations for energy-saving improvements.
