

CUSTOM SOLUTIONS FOR ALL

We can help tailor an energy efficiency solution that is a perfect fit for your business!

In addition to standard natural gas rebates, Cascade Natural Gas offers custom solutions and rebates for your specific needs. Contact us today to identify cost-effective, energy-efficiency improvements at your business.

\$ CUSTOM REBATES \$

Common custom projects that qualify for rebates include:

- › Heat recovery projects
- › Boiler burner retrofits
- › Solar thermal projects
- › Duct or vessel insulation
- › AHU/RTU heat recovery
- › Process heating improvements
