

SAVE ON A SMART UPGRADE

Get great deals on smart thermostats this holiday season with incentives from Energy Trust of Oregon.

Smart thermostats make it easy to save on heating and cooling costs. By detecting empty rooms and learning your temperature habits, smart thermostats make automatic adjustments to maximize comfort and energy savings.

As a Cascade Natural Gas customer, you're eligible to receive a cash incentive from Energy Trust when you purchase a qualifying smart thermostat.

STAY COZY THIS WINTER

Save energy and keep warm with these easy tips:

- In cold weather, turn your thermostat down to 58-60 degrees at night and 65-68 degrees during the day.
- Open the blinds during the day to let the sun naturally heat your home.
- Keep drafts outside by closing your exterior storm windows.
