

INCREASE SAVINGS WITH EVERY LOAD

ENERGY STAR® certified front-load clothes washers save energy, water and money, so you can clean up while you wash.

Energy Trust of Oregon works with select retailers to provide benefits to Cascade Natural Gas customers purchasing ENERGY STAR® certified front-load clothes washers. Benefits may include price discounts at the time of purchase, or improved financing options.

In the Community to Serve®

SAVE ON ENERGY COSTS WITH AN ENERGY STAR WASHER

High-efficiency ENERGY STAR washers are available in many different sizes and colors, which makes finding a model that works for you easy. When shopping, pay attention to energy-saving features like suds saver settings that reduce detergent use; faster spin speeds that reduce energy use and dry time; and pre-soak options that make removing stains a breeze.

Find a list of participating retailers and learn more at www.energytrust.org/appliances or call 1-866-368-7878.

Incentives are subject to qualification; funding availability may change.

DID YOU KNOW?

ENERGY STAR certified front-load clothes washers use about 33% less water and 25% less energy than standard models, helping you lower costs with every load.
