Soak up the savings

Take advantage of a *FREE* energy savings kit from Cascade Natural Gas!

Visit www.cngc.com/energy-efficiency
for your kit.

What is an Energy Savings Kit?

Contents include low flow showerheads, kitchen faucet aerators, bathroom faucet aerators, and Teflon tape.

Reduce the amount of energy going down the drain by requesting *our easy-to-install water savings kit**.

*Primary source of water heat must be natural gas. One kit request per home.
