

# SAVE UP TO \$122 A YEAR WITH A FREE ENERGY SAVER KIT

Energy Trust of Oregon offers free Energy Saver Kits to Cascade Natural Gas customers to help you instantly lower energy use and costs. Answer a few questions about your home and Energy Trust will send a customized kit tailored for your home's needs. These kits are delivered right to your door and you can install the products in minutes.

*In the Community to Serve®*

# REQUEST YOUR ENERGY SAVER KIT TODAY

The contents of your free kit will vary depending on your home's characteristics. Your kit may include high-performance showerheads and faucet aerators, which use up to 20% less water than standard fixtures and could help reduce water heating costs.

**Ready to save? Visit [www.energytrust.org/kits](http://www.energytrust.org/kits) to order your free kit today.**

## ONLINE HOME ENERGY REVIEW

Explore additional home energy savings by taking a free online Home Energy Review. In 10 minutes or less, you'll receive an estimated calculation of your home's energy use and customized recommendations for energy-saving improvements.
