

WE'RE HERE TO HELP – CASH REBATES FOR YOUR BUSINESS

Cascade Natural Gas Commercial and Industrial program provides rebates for the installation of high-performance upgrades to optimize operating budgets and energy use.

Incentives are available for the following project types:

- › Laundry
- › Kitchen
- › Water heating
- › Facility heating
- › Retrofit insulation

CASH REBATES FOR UNIQUE PROJECTS

If you have an innovative idea for an energy-saving project, you may benefit from our Commercial & Industrial Custom offering. Common custom projects that qualify for rebates include:

- ✓ Heat recovery projects
- ✓ Boiler burner retrofits
- ✓ Solar thermal projects
- ✓ Duct or vessel insulation
- ✓ AHU/RTU heat recovery
- ✓ Process heating improvements

Let us help you with your project
