We can help.

Cascade Natural Gas knows many of our customers are facing hardships as a result of the COVID-19 pandemic.

We want you to know, you're not in this alone.

Cascade Natural Gas has payment plans specifically for those affected by COVID-19. We can also direct you to federal, state, and local agencies that provide financial assistance.

If paying your bill is a struggle, please call Customer Service and discuss your options.

You can help.

The need for financial help continues to grow through these uncertain times. When you donate to the Cascade Winter Help Program, funds will go to those in need including customers facing hardships as a result of the COVID-19 pandemic. If you can help, please visit our website or scan the QR code with your mobile device to access our donation form.
