

Oregon Customer Notice

Change to the Public Purpose Charge

Cascade Natural Gas Corporation filed to increase its Schedule 31 Public Purpose Charge from 4.928% to 5.103% effective January 1, 2021. The collections from this charge are passed directly through to third party administrators of Cascade's energy efficiency programs, and low-income weatherization and bill pay assistance programs.

The estimated monthly bill impact of this change for the average residential customer using 60 therms per month will be an additional \$0.09 and the average commercial customer using 252 therms per month will pay approximately \$0.29 more.

For more information about opportunities to save energy through the energy efficiency programs, visit www.energytrust.org or call Energy Trust at 866-368-7878. To learn if you may qualify for Cascade's low-income weatherization or bill pay assistance program, contact Cascade Natural Gas Customer Service.
