# SAVINGS AT YOUR FINGERTIPS

Investing in a smart thermostat is a simple energy-saving solution that can help you stay comfortable year-round and reduce energy costs. Here are some more benefits:

- **Stay connected.** You can adjust your smart thermostat from anywhere anytime, right from your phone or tablet, so you have one less worry while away.
- **Programs itself.** Smart thermostats can adapt to household patterns, occupancy and weather forecasts.
- **Save on energy bills.** Smart thermostats save energy by learning your schedule and favorite temperatures.

**Receive your \$80 instant coupon today at [www.energytrust.org/coupon](http://www.energytrust.org/coupon).**

*Incentives are subject to funding and availability and may change. Limit one incentive per residence.*
