

CLEAN UP ON ENERGY WASTE WITH ENERGY STAR®

Did you know that washers and dryers are the third biggest energy users in your home after heating/cooling and hot water? Switching to ENERGY STAR certified appliances can save up to 30% on energy costs and 5,500 pounds of greenhouse gases.

In the Community to Serve®

FIND YOUR MATCH

Energy Trust of Oregon works with select retailers to provide price discounts, improved financing options, and other benefits at the time of purchase for ENERGY STAR certified front-load clothes washers and dryers. Visit one of these retailers to find your energy efficient washer and dryer.
