**JOIN US IN
HELPING OTHERS
STAY WARM
THIS WINTER.**

*Some of your neighbors
have difficulty paying
their heating bills.*

In the Community to Serve®

www.cngc.com

In 1989, we created **WINTER HELP** in partnership with our customers and local Community Action agencies. Because of illness, loss of employment or other crises, some households have difficulty paying their heating bills.

The COVID-19 pandemic has created a greater need for help. A portion of Winter Help funds will go directly to those experiencing hardship as a result of the pandemic.

WINTER HELP funds are designed to help our neighbors with temporary heating emergencies. Often these financial setbacks are temporary and can be relieved with a little concern and assistance from friends like you.

We asked for your support to help your neighbors pay part of their energy bills. Your generosity has helped more than 10,000 families since **WINTER HELP** began.

Cascade Natural Gas will match every dollar you contribute to **WINTER HELP**, dollar for dollar, to a maximum match of \$50,000. Your tax-deductible dollars also are guaranteed to be used in your community.

Contributions to **WINTER HELP** can be made automatically with your payment each month or as a one-time pledge. Your total amount of annual donations will be printed on your bill.

For additional information on low-income assistance, please contact Customer Service at 888-522-1130 or visit our website at www.cngc.com.

Yes, I want to help make neighbors warm.

To begin contributing or to increase a current contribution, complete this form and return to:

Cascade Natural Gas WINTER HELP,
8113 W Grandridge Blvd, Kennewick, WA 99336.
