

# BONUS INCENTIVES FOR GAS FURNACES AND INSULATION

Act now for enhanced comfort and savings. Customers of Cascade Natural Gas are eligible for extra savings on high-efficiency gas furnaces and energy efficient attic/ceiling insulation until December 31, 2022.

*In the Community to Serve®*

# BOOST SAVINGS AND COMFORT FOR LESS

With limited-time bonus incentives, now is a great time to make energy efficiency upgrades and save on monthly energy costs. Here's how you can save:

- \$1000 cash incentive towards an efficient gas furnace (only income qualified households, single-family rental properties and manufactured homes are eligible)
- \$1.25 per square foot cash incentive towards energy efficient attic/ceiling insulation (single-family properties, single-family rental properties, income qualified households and manufactured homes are eligible)

**These offers end December 31, 2022, so visit [www.energytrust.org/promotions](http://www.energytrust.org/promotions) or call 1-866-368-7878 to learn more.**

*\*Incentives are subject to funding availability and may change.*
