

Haunted by high bills?

Don't get tricked into installing standard heating systems.
Upgrade to lower energy bills today.

Visit www.cngc.com/energy-efficiency for more information.

In the Community to Serve®

Carve out the savings

Earn a treat instead of a trick. Install a high-efficiency furnace with a 98% AFUE rating or higher to receive a \$900 check in the mail.

The treats don't stop there. You'll be thrilled to hear a \$650 rebate is also available for furnaces with a minimum 95% AFUE rating.

Visit our website for a list of rebates for energy efficient upgrades, and vetted Trade Ally contractors.

Applications must be submitted within 90 days of install. Terms and conditions apply.
