

# Saving Energy is Easy

In observation of Earth Day and to promote the importance of energy conservation in commercial and industrial buildings, Cascade Natural Gas wants to help you save energy with three simple steps.

## Step 1:

Reach out to an energy expert by calling **866-450-0005** to help you determine what energy-efficient equipment or property upgrades your facility might be eligible for.

## Step 2:

Hire a trusted CNGC contractor to install recommended equipment upgrades or complete property improvements at your commercial or industrial facility.

## Step 3:

Apply for **CNGC cash rebates** and watch the savings roll in! You'll save money on the upfront cost of new equipment and see a reduction in your monthly utility bills.

Let us help you save money AND contribute to a more sustainable environment this Earth Day!

To get started, call **866-450-0005** or visit **[www.cngc.com/energy-efficiency](http://www.cngc.com/energy-efficiency)**.
