

## Your journey to save energy and money begins with a single step.

Looking to save energy at your facility, but not sure where to start? **Schedule a no-cost walkthrough with our team.** We'll identify facility upgrade opportunities and cash incentives to help offset the cost.

# Start saving energy with a no-cost walkthrough from an energy expert.

## STEP 1

Schedule your walkthrough by calling 866-450-0005. We'll help you identify energy-efficient equipment or property upgrades.

## STEP 2

Hire a trusted CNGC contractor to install recommended equipment upgrades or complete property improvements at your commercial or industrial facility.

## STEP 3

Apply for CNGC cash rebates and watch the savings roll in! You'll save money on the upfront cost of new equipment and reap the benefits of high efficiency performance.

To get started call **866-450-0005** or visit [www.cngc.com/energy-efficiency](http://www.cngc.com/energy-efficiency) for more information.
