

Notice to the Public | Oregon Service Area

On September 13, 2024, Cascade Natural Gas Corporation (Cascade) filed for approval from the Oregon Public Utility Commission (OPUC) revisions to Rate Schedule Nos. 177, 191, 192, and 193, with a requested effective date of November 1, 2024.

The rate adjustments proposed in this filing are designed to pass on changes in the actual costs for natural gas and transportation services, the difference between the actual cost of gas and the amount recovered in core customer rates, and changes resulting from the Company's Conservation Alliance Plan and Intervenor Funding.

The OPUC will review this filing and has the authority to set final rates that may vary from Cascade's requests, either higher or lower, depending on the results of its investigation. If the OPUC approves Cascade's filing, it will result in an annual decrease of \$18,778,442 or 18.54% in overall collections. The total decrease for a typical residential customer using 57 therms per month with an average proposed monthly bill of \$60.84 can expect to see a monthly decrease of \$11.22 or 15.57 percent per month.

The proposed rate changes for residential, commercial, and industrial customers are:

Service Type	Current Rate	Current Average Bill*	Proposed Rate	Proposed Average Bill*	Proposed Change in Bill
Residential (Sch. 101)	\$1.14485	\$72.07	\$0.94796	\$60.84	(15.57%)
Commercial (Sch. 104)	\$1.02691	\$274.89	\$0.81444	\$220.50	(19.79%)
Industrial Firm (Sch. 105)	\$1.02826	\$1,764.53	\$0.79216	\$1,367.41	(22.51%)
Com-IndDualSvc.(Sch. 111)	\$0.94465	\$14,453.56	\$0.70855	\$10,877.12	(24.74%)
Interruptible (Sch.170)	\$0.90613	\$49,034.39	\$0.67003	\$36,336.22	(25.90%)
Transport (Sch. 163)**	\$0.07003	\$10,812.19	\$0.07059	\$10,882.18	0.65%

* The average bill includes the monthly basic charge which is not changed with this filing.

** Due to its tiered rate structure, Rate Schedule 163 reflects an average rate.
