

IS YOUR BUSINESS READY FOR WHAT COMES NEXT?

Become more energy-efficient and future-proof your business with rebates from Cascade Natural Gas Corporation (CNGC).

CNGC has rebates available for gas saving equipment to help your business future-proof aging equipment and prepare for the Clean Buildings Act.

Energy saving opportunities include:

- Replacing old, inefficient equipment like boilers and water heaters
- Optimizing existing equipment to save more energy
- Making building improvements like installing insulation

Our team of energy efficiency experts can help you understand the rebates available for your business.
