

# SEAL THE DEAL ON SAVINGS WITH INSULATION REBATES

Enhance your business's energy efficiency with our rebates for floor, pipe, attic, roof, and wall insulation.

Upgrading your insulation is one of the most effective ways to improve energy efficiency and reduce costs for your business. Cascade Natural Gas is here to help you make these important improvements with our comprehensive rebate program. Whether you need floor, pipe, attic, roof, or wall insulation, we have you covered.

### Benefits of Insulation Upgrades:

**Bill Savings:** Reduce your heating and cooling costs by maintaining a consistent indoor temperature

**Increased Comfort:** Improve the comfort of your employees and customers with better temperature control

**Environmental Impact:** Lower your carbon footprint by reducing energy consumption
