

A NO-COST WALKTHROUGH AWAITS YOUR BUSINESS!

Our team of energy experts can help you identify opportunities to optimize the gas equipment in your facility.

TRC is here to help your business save money and energy. As a customer of Cascade Natural Gas, our team can provide you with custom recommendations for cutting energy waste during a no-cost walkthrough.

During a walkthrough, TRC energy experts will visit your facility and:

- Identify areas where installing energy efficient equipment or tuning-up your current equipment may be beneficial
- Connect you with trusted contractors to complete the work
- Identify cash incentives that may lower out-of-pocket costs

Schedule a walkthrough today by calling **866-450-0005** or visit **cngc.com/energy-efficiency**.

If you're a **residential customer** looking for energy saving opportunities, please contact **866-626-4479**.
