

# Small budget? **No Problem.**

Your business may qualify for  
equipment rebates through  
the Commercial & Industrial  
Conservation Incentive Program.

*In the Community to Serve®*

Commercial customers of Cascade Natural Gas may qualify for rebates on gas saving equipment from TRC. Updating equipment may help your business increase efficiency and lower natural gas bills.

### Energy saving opportunities include:

Replacing old, inefficient equipment like boilers and water heaters

Custom projects tailored to your facility

Building weatherization improvements like installing insulation

And more!

TRC's team of energy efficiency experts is available to walk you through the process and help secure rebates for your business.
