

Customer Information

Customer Name			
Account Holder listed on CNGC Bill			
Phone No.	Fax	Email	
Mailing Address	City	State	Zip

PLEASE NOTE: Requests for usage data in multiple facilities should be accompanied by separate release forms when different parties are responsible for payment of utility bills. **Example:** If your company has multiple Gas accounts that are paid by one department only, one data request form will be required. If two or more departments are responsible for utility bill payments, please submit a separate data release request form from each department.
