SCHEDULE 201
SPECIAL CONTRACTS

PURPOSE
The purpose of this schedule is to describe generally the terms and conditions of service provided by the Company pursuant to special contracts approved by the Public Utility Commission of Oregon under OAR 860-022-0035. In each case, the rights and obligations of the parties are as specified in detail in the respective special contracts. In the event of any ambiguity or conflict between the summaries in this schedule and the substantive provisions of the special contracts, the terms of the special contracts shall be controlling. If a referenced rate schedules is no longer in effect, its most appropriate successor on file with the Commission should be used.

1. LAMB-WESTON, INC. - BOARDMAN, OREGON -- Distribution Transportation Service Special Contract
   a. Term
      The contract, dated October 27, 1995, has a minimum primary contract term of 20 years and will continue in effect thereafter from year to year until cancelled by either party with provision of at least one hundred twenty (120) days advance written notice.
   b. Rates
      The initial contract rate is based upon the specific service alternative (bypass of Company facilities) available to the customer. Buyer pays each month a Dispatch Service Charge under Distribution Rate Schedule 164 (presently of $500) as well as a monthly Facilities Charge of $1,750. A Commodity Charge of $0.007 will be charged for each therm of gas delivered within the Daily Contract Quantity (DCQ). Volume in excess of the DCQ will be charged at the commodity rate plus any costs or penalties incurred by Cascade in delivering those volumes.

      Beginning October 1, 1996 and each October 1 thereafter for the duration of the contract, the Commodity Rate shall be escalated by the percentage change in the Consumer Price Index for the "All Urban Customers - U.S. City Average - All Items," for the twelve months ending on the immediately prior July 1. In addition, Lamb-Weston shall reimburse Cascade for State Utility Tax and other governmental levies imposed upon Cascade in rendering transportation service for Lamb Weston, Inc.

2. HEINZ FROZEN FOODS (formerly known as Ore-Ida Foods, Inc.) - ONTARIO, OREGON -- Distribution

Transportation Service Special Contract

a. Term
The contract, dated December 15, 1995, has a minimum primary contract term of 15 years and will continue in effect thereafter from year to year until canceled by either party with provision of at least one hundred twenty (120) days advance written notice.

b. Rates
The initial contract rate is based upon the specific service alternative (bypass of Company facilities) available to the customer. Buyer pays each month a Dispatch Service Charge under Distribution Rate Schedule 164 (presently of $500) as well as a monthly Facilities Charge of $3,650. A Commodity Charge of $0.005 will be charged for each therm of gas delivered within the Daily Contract Quantity (DCQ). Volume in excess of the DCQ will be charged at the commodity rate plus any costs or penalties incurred by Cascade in delivering those volumes.

Beginning October 1, 1996 and each October 1 thereafter for the duration of the contract, the Commodity Rate shall be escalated by the percentage change in the Consumer Price Index for the “All Urban Customers - U.S. City Average - All Items,” for the twelve months ending on the immediately prior July 1. In addition, Lamb-Weston shall reimburse Cascade for State Utility Tax and other governmental levies imposed upon Cascade in rendering transportation service for Heinz Frozen Foods.

c. Special Conditions
All operating obligations are detailed within the contract. Customer agrees that all gas used at the plant will be delivered by Cascade during the term of this agreement. Contract provisions exist to address the potential for Adverse Regulatory Action by federal, state or municipal government or other regulatory authority, inclusive of the Oregon Public Utilities Commission. In the event such action occurs, the disadvantaged Party may terminate the agreement, given sufficient notice between the parties.

d. Eligibility
The contract is specifically designed to address the customer’s potential distribution service alternative (bypass of Company facilities). A condition precedent to availability is that Special Contracts for service must be reviewed and approved by the Oregon Public Utilities Commission pursuant to Oregon Statutes (ORS 757.230), Rules (OAR 860-022-0035), and Commission policies for market based rates (Order No. 87-402).
