RE: NEW, Cascade Advice No. O26-04-01  
Schedule 31, Public Purpose Charge Housekeeping

Cascade Natural Gas Corporation (Cascade or Company) submits the following revision to its Tariff P.U.C. OR No. 10, stated to become effective with service on and after May 30, 2026:

Ninth Revision of Sheet No. 31.1

This housekeeping filing corrects an error contained in Cascade's filing, Advice No. O26-03-02, docketed as ADV 1866, wherein Cascade revised the rate applied to bills per Schedule 31, Public Purpose Charge. In that filing, Cascade inadvertently transposed references to its two low-income programs in the final sentence of item 2 under the Special Terms and Conditions and failed to carry the OLIBA charge percent out to the third decimal. This filing corrects the final sentence to state "OLIBA will receive -0.058% of total Public Purpose Charge collections and OLIEC will receive 0.368% of total Public Purpose Charge collections."

Please direct any questions regarding this filing to Jennifer Gross at (509) 975-9473.

Sincerely,

*/s/ Michael Parvinen*
