**RE: Docket UG 530, Purchased Gas Adjustment and Other Cost Trackers
Schedule 220 Housekeeping**

Cascade Natural Gas Corporation (Cascade) filed Advice No. O26-07-01 in Docket UG 530 on July 31, 2026. Cascade now files the following replacement tariff sheet:

Second Revision of Sheet No. 220.1

All other tariff sheets remain as initially filed. The requested effective date of October 31, 2026, is also unchanged.

The purpose of supplemental filing is to remove Schedule 800 from the "Applicable" section of Schedule 220, Climate Protection Olan (CPP) Cost Recovery Adjustment. Schedule 800 provides biomethane transportation service. A biomethane producer on Schedule 800 is not the end user of the gas, and, therefore, should not pay the CPP charge, which is designed to recover costs for mitigating greenhouse gas emissions that result from natural gas combustion. Cascade currently has no customers on Schedule 800.

Please direct any questions regarding this filing to Jennifer Gross at 509-975-9473.

Sincerely,

/s/ Michael Parvinen
