

Washington Voluntary Renewable Natural Gas Program

Washington customers can offset any portion of their natural gas usage by purchasing renewable natural gas (RNG). Complete the form below to begin your monthly subscription to purchase RNG, a carbon-neutral energy source.

Participation in the RNG program is voluntary. You may change or cancel your monthly RNG purchase at any time by calling Cascade Customer Service at 888-522-1130.

Customer Name: _____

Service Address: _____

City: _____

State: _____

Zip: _____

Telephone: _____

Email: _____

Please select the action you want to take:

- Purchase blocks of Renewable Natural Gas (RNG)
- Remove purchased blocks of Renewable Natural Gas (RNG)
- Change amount of purchased blocks of Renewable Natural Gas (RNG)

Please enter the amount of blocks of Renewable Natural Gas (RNG) for this action: _____

Please note:

Each block is equivalent to four (4) therms of natural gas. The purchase of each block results in a surcharge of \$7.32 per block per monthly billing.
